

## **Delivery**

You are, of course, very welcome to collect your order/items at Weerdingerkanaal NZ 126, 7831 HJ in Nieuw-Weerdinge. However, if you would prefer to have your order delivered to your home or another location, we are happy to arrange this for you.

Please contact us for shipping costs.

## **Delivery Time**

Most of our products are available directly from stock. For orders received before 4:00 PM, we do our utmost to deliver your order on the next working day.

If, due to circumstances, the ordered goods cannot be delivered within the intended timeframe, we will contact you to inform you of the new delivery date.

## **External Carrier**

For the delivery of machines, we generally use an external freight forwarder/carrier. This means that we do not have direct insight into transport routes and exact delivery times. We therefore kindly request that you are present at the delivery address on the day of delivery to receive the goods.

If you would like the delivery to take place on a specific date, please make this explicitly known to us. We will then coordinate this with the carrier.
